

**Court of Appeals, State of Michigan**

**ORDER**

**Dennis Weaver v Kimberly Weaver**

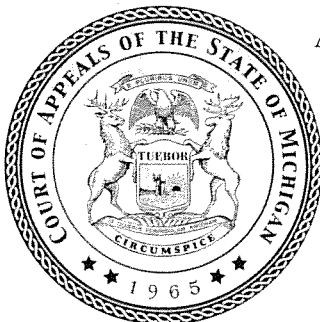

Docket No.    **351913**

LC No.         **2018-007810-DO**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

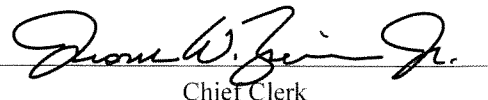

The claim of appeal is DISMISSED for lack of jurisdiction because the order dated November 22, 2019 and entered in the circuit court register of actions on November 25, 2019 is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). That order is not a final order under MCR 7.202(6)(a)(i) because it does not actually dispose of claims in this case where it contemplates future preparation of a final judgment to actually dispose of all claims in this case. Dismissal is without prejudice to the filing of a late appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred. Alternatively, appellant may file a timely claim of appeal after a final judgment or order under MCR 7.202(6)(a)(i) is entered in this case.
